

**The 1+1 Toilet Block 10 is a successful combination of the Solar Loo and Solar Shower.**

Powered by our proven solar technology, this is a standalone steel constructed anti-vandal 2 toilets and shower unit. It comes equipped with fully-flushing toilets, forearm regulation sinks with hot and cold running water, touch-free hand dryers, separate shower, changing area and PIR lighting. Diesel powered water and heating system with a radiator in each cubicle. The generator-free self-contained unit requires very little maintenance, reduces Co2 emissions and cuts fuel bills dramatically.

**Key Features:**

- Secure steel construction
- Heating throughout
- Hot water, forearm regulation sinks and touch-free hand dryer
- 2 separate foot-activated, fully-flushing WC
- Shower cubicle with seated changing area

**Environmental Benefits:**

- Solar-powered, generator-free unit
- Fuel efficient and low Co2 emissions

**Capacity**  
25 people

Minimum hire **1 week**

### Standard Specifications:

**Product code**  
041001

**Dimensions Lxwxh**  
10x8ft / 3x2.4m

**Dry Weight**  
2500kg Approx

**Power Type**  
Hybrid Solar

**Layout**  
2x Toilet 1x Shower

**Water Tank Capacity**  
132g / 600lt

**Waste Tank Capacity**  
180g / 820lt

**Fuel Tank**  
15g / 68lt
