

The Combi Cabin 24 houses a canteen with seating for up to eight staff, a storage area, a private WC with a urinal and an office that can be converted into a changing room.

Each unit is completely self-contained and powered by a 240v diesel generator, so you don't have to worry about connecting water and power supplies - once we've delivered your welfare unit, you're ready to go.

The cabin features a secure 5-point deadlocking system and anti-vandal devices to secure even the most vulnerable sites.

Key Features:

- Anti-vandal steel constructed units
- Canteen for 8 operatives and single person office
- Diesel powered 240v generator
- Multi point anti-vandal door
- Inclusive of all lighting, heating and hot water
- Fully flushing W.C, urinal and forearm sink
- Microwave & Kettle included
