

**The Solar Loo 8 is a flushing standalone toilet that is powered entirely by patented solar technology.**

Equipped with flushing W.C and urinal, hot air hand dryer, hot and cold running water and lighting, the generator free unit requires very little maintenance, reduces Co2 emissions and cuts fuel bills drastically.

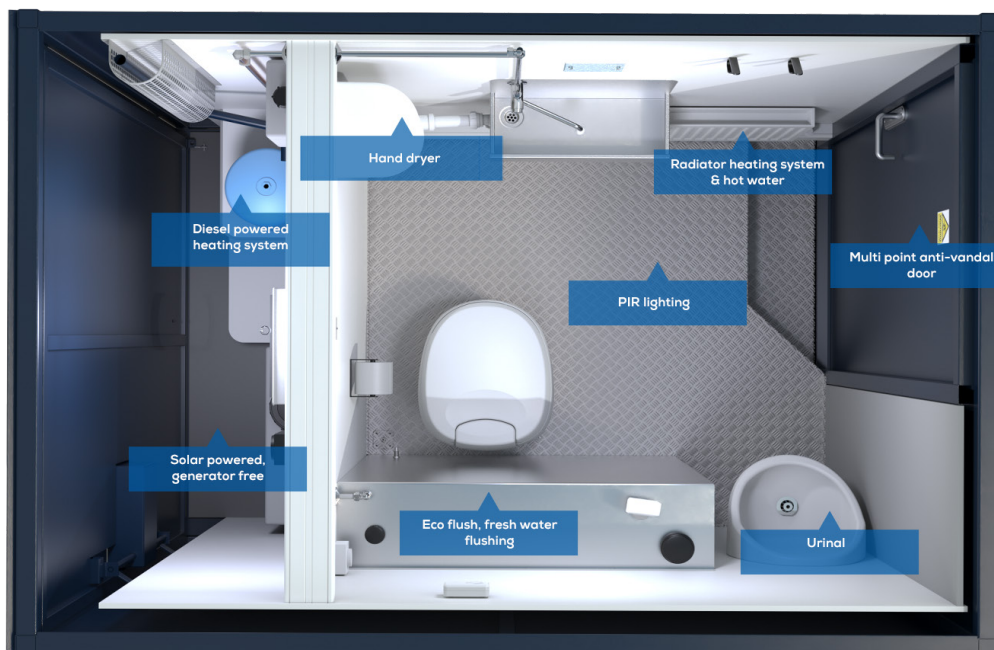

### Key Features:

- Secure steel construction
- Hot water, regulation forearm sink and hand dryer
- Fully flushing W.C and urinal

### Environmental Benefits:

- Fuel efficient and low in Co2 emissions
- Solar powered, generator free unit
- Eco board internal lining to all walls

Minimum hire **1 week**

## Standard Specifications:

**Product code**

40803

**Dimensions LxWxH**

8 x 5ft / 2.4 x 1.5m

**Configuration**

1 Toilet / 1 Urinal

**Dry weight**

1610kg

**Water tank capacity**

364L / 80gal

**Waste tank capacity**

409L / 90gal

**Fuel capacity**

68L / 15gal

**Power type**

Solar

**Multi point anti-vandal door and external rain shrouds**

Yes

**Insulated walls & ceiling**

Yes

**Secure steel construction**

Yes

**Eco board internal lining to all walls**

Yes

**PIR lighting**

Yes

**Low level lifting points and Fork pockets**

Yes

**Radiator heating system & hot water**

Yes

**Solar Technology**

Yes

**Urinal, regulation forearm sink**

Yes

**Eco flush, fresh water flushing WC**

Yes

**Auto frost protection**

Yes

## Optional extra available

- Fuel, waste & water Servicing
